It has come to our attention that there might be a problem occurring in some counties. We need your help to rule it out.

If your son or daughter or adult was denied access to your county mental retardation program because your local county mental retardation program is telling you the proof of IQ was not complete, we would like to hear from you.

Please send us an e-mail at [info@pawaitinglistcampaign.org](mailto:info@pawaitinglistcampaign.org)

Please include:

Your county:

When your son or daughter graduated:

If your son or daughter is about to graduate:

What were you told:

When?

Your information is critical to our efforts for you. If you are affected by this issue please contact us no later than Wednesday morning, March 10, 2010 before 10:00 AM.

Thank you.
